Other Groups Coming Soon

We recommend attending 2 or more groups per week.

Young adults can continue accessing groups even after individual sessions are completed.

Consultations (time-limited) with a Nurse Practitioner, Psychiatrist, or Psychologist *may* be offered to help clarify diagnoses, recommend medications, and conduct additional testing. YA-SUP is **not intended for those only requiring access to consults.**

We want to work together. The YA-SUP is one part of a complex health and mental health system. We want to work together with current health and mental health providers to share care and collaborate to optimize treatment.

**Reduce negative

**Improve mental
health and
wellbeing**

**Increase
